*Students who choose to work with a tutor at one of these places must have 20 contact hours with the tutor and 40 additional hours of homework/assignments to make up half a credit. At the end of the tutoring, we need to receive a copy of the tutor's teaching license (certified in grades 7-12 in the subject for which student is being tutored) and a log kept by the tutor indicating what was covered, when the student and tutor met, how long they worked, and on what topic. The student is responsible for making sure verification of the made up class is received at Chanel.
